

We're not just any Implant provider, we're

# The Old Surgery Dental Practice Implant provider.

**FREE**  
no obligation  
consultation

And these are the reasons to choose us

- Our multi-team approach ensures the highest standard of care for implant placement and overall cosmetic results of the final crown/bridge/denture.
- Sedation available.
- Our highly experienced and qualified Implantologist has a 98% success rate.
- We place implants using the Straumann Implant system, which is renowned worldwide for quality and reliability.  
Our aim is for you keep your Implant for life.
- Treatment is provided using the latest technology (Itero) – impression free digital imaging.
- Expertise in Complex Bone Restoration.
- Benefit of 'the Implant Coordinator', as a point of contact for each stage of the journey.
- Use the skills of leading UK dental laboratories.
- Our reputation for providing outstanding care means that our dental colleagues from other practices refer their patients to us.
- Our fees represent the skills and experience of the practitioners who work here at the practice and the materials and technology we use to ensure that every step is as good as it can be – we want you to receive the best treatment and care available.
- Our lead Implantologist has an MSC degree in Implant Dentistry and in addition a Diploma in Dental Implantology from the Royal College of Surgeons of England, which is the highest level of Implant training available in the UK, and is a qualification held by less than 150 dentists.

*Now that really is  
something to smile about!*
