

Endo-Plus at The Old Surgery

D E N T A L P R A C T I C E

Leigh Walker BDS PG Cert Endodontology GDC Number 68911

Leigh Qualified from the University of Newcastle upon Tyne in 1993 and is in his second year of study at the University of Chester, for an MSc in Endodontology.

He has gained considerable experience in the placement of direct adhesive restorations both here in the UK and in Australia.

Leigh splits his time between providing general private dentistry in the Lake District and Referral Based Endodontics.

Why Refer?

By referring patients with endodontic problems, you will give us the opportunity to provide the best outcome prior to restoration. We will treat your patients and return them to your care. With the ever-increasing patient expectations and litigation cases arising for dentists, you can be reassured that you are providing your patient with the best endodontic care available to them.

His knowledge and experience in both endodontics, research and teaching allow him to host study evenings, for our local colleagues and assist them with any cases if they wish to forward over any X-rays for basic advice. If you wish an opinion on a radiograph, please feel free to contact rebecca.copeland@oldsurgerydental.co.uk

What is Endo-Plus @ The Old Surgery?

Leigh has extensive experience in providing restorative dentistry, **and can return the completed endodontic case to the referring dentist with a permanent core**, and/or temporary crown in place ready for the referring dentist to provide a definitive protective restoration, except in cases which require a cast post and core, in which case a temporary crown may be provided.

Services Available

- RCT
- Re treatment endo therapy
- Difficult pain diagnosis
- Perio endo problems
- Post/Core preparation
- Post removal

Fee guide

Consultation only - **£90** (usually around 20 mins) in our experience many patients would like a pre-treatment assessment to confirm the feasibility and predictability of the outcome of endo treatment.

Pre-treatment investigation - **£175.00** - on occasion it may be necessary to clinically explore a compromised tooth prior to endodontic treatment, which may involve the removal of existing crowns, investigations for root fractures etc.

Single root - **£500**

Multi root - **£550**

Core - **£127.50**

Additional £100 for re-treatments/open apex/perforation repair

We hope you will be delighted with the results we can achieve for your patients and find our endodontic service a valuable part of their dental healthcare, whilst supporting you, our referring dentist and your team. If you would like to learn more about our endodontic service, or would like to discuss a meet and greet, please contact Rebecca Copeland, our treatment coordinator, on 01270 587820 / 01270 256884 or email rebecca.copeland@oldsurgerydental.co.uk

To refer patients please either:

- Complete one of our referral forms and send it back to us
- Write to us with the patient's details and a brief history

You can either:

- Post to: The Old Surgery Dental Practice, 31 Hungerford Road, Crewe, Cheshire CW1 5EQ
- Send via our website www.oldsurgerydental.co.uk
